

SHELTER BUDDIES READING PROGRAM

FOR KIDS
GRADES
K-5

THIS PROGRAM BENEFITS SHELTER ANIMALS AND THE READERS!

The animals receive human contact in a relaxing, comfortable environment that helps socialize them while the children practice their reading skills.

Reading aloud has been proven to help kids gain confidence, and their shelter buddy won't say anything if they make a mistake!

WIN PRIZES!

For every 5, 30 minute reading sessions, you earn a reward. This program is available year round. Applications are available at the shelter or online.
