Message from the Board of Directors

Dr. Don Edwards with Queenie

We have now completed our second year of operations at the Auburn Valley Humane Society. We continue to expand our programs and outreach to the community.

This year we opened the AVHS Thrift Store and More on East Main Street. The store has been very successful in its first 6 months of

business. 100% of the thrift store proceeds benefit the animal shelter and its programs and services. Revenue from the Thrift Store has allowed the animal shelter to extend its hours of operation and provided the necessary staff to provide services during that time. The shelter is now open 7 days a week for adoptions, licensing and returning lost animals to their owners. The revenue will also allow us to manage the AVHS Pet Pantry (formerly the Senior Pet Food Bank) to low income seniors within the City of Auburn in partnership with the Seattle Humane Society. Other humane education programs and pet haven for domestic violence will be funded in the near future.

We have established three annual signature fundraising events which continue to grow each year. Our next event will be our Annual Winner's Circle Gala honoring Animal Champions. The event will feature an award banquet with a silent and live auction on Saturday, March 28, 2015. Save the date and I hope to see all of you there!

The Tour de Paws, a bicycle event with four routes, is scheduled Saturday, June 27. Barktoberfest and Rover Romp is scheduled on Saturday, October 10 at Roegner Park.

Our volunteer program has continued to perform at peak efficiency providing top quality care for the pets in the shelter as well as making sure that the people visiting the shelter receive great customer service. I cannot thank our hard working volunteers enough for all the time they donate to the shelter. We cannot do what we do without them.

Our donors have continued to support the shelter with generous donations. Our community and business sponsors have

supported our events munificently. Again these fundraising events would not be possible without our sponsors and donors. We thank you for your incredible support.

The staff at the shelter have done an outstanding job this year managing the shelter and coordinating our fund raising events. I am pleased to announce that Phil Morgan has committed to continue as our Executive Director for another 5 years. I am also pleased that Dr. Emily Purvis will continue on as our Chief Medical Officer also for 5 years. This will allow us to have continuity in our long term planning for the future.

This will be my last message as president. After three years as president, we will transition to a new president at our annual elections on February 19. I want to thank everyone, staff, volunteers, donors, charter members, sponsors and members of the board of directors, for all of your support, hard work and cooperation in getting Auburn Valley Humane Society off of the drawing board and up and running as a first class animal shelter and adoption center. You all should be very proud of what you have accomplished. Thank you for allowing me to serve with you! It has been a pleasure.

Donald Edwards, DVM
President, AVHS Board of Directors

Message from the Executive Director

As we look back at our second year of shelter operations, it was wonderful year of growth for the Auburn Valley Humane Society. The last year, more than ever, has been a time of commitment and determination of our staff and dedicated volunteers to ensure the launch and success of our young organization. We have grown as an organization, strengthening our philosophies, beliefs and practices as well as reaffirming our mission and the dedication to the citizens and animals in the communities we serve. It is now time to look forward to our future.

As 2014 comes to a close, we have journeyed a long way from where we were just two years ago. The vision and dream of having a first rate local animal sheltering facility has really become a reality. This past year, we have diligently created policies and procedures and have vastly improved the daily routines for quality animal care at the shelter. We have also reaffirmed our focus on the mission of promoting responsible pet ownership by teaching compassion, respect and caring treatment for all living creatures.

During this year of growth, once again I would like to say how proud I am of our accomplishments as an organization in the time of our new beginnings. We continued the care and adoption of homeless pets and the humane education of children and adults throughout our community. Partnerships with local businesses have flourished. The relationships with the City of Auburn, the local veterinary community and the citizens of King and Pierce counties have continued to grow. We also established and launched several signature fundraising events that assist us financially to maintain the animals in our care. The Auburn Valley Humane Society Thrift Store and More opened in August and because of its success, is on track to fund three vital programs in the year 2015. The retail store's success will also allow the Shelter to extend the hours of operation to seven days a week starting in 2015.

Our primary goal is to find lasting, loving homes for the companion animals that come to us. This year a total of 743 dogs, 915 cats and 83 other animals were surrendered by their owners, transferred from other shelters or found as lost animals and taken into our shelter. We gave them loving care, certified their health, administered all necessary vaccinations, micro chipped, tested temperaments, and then spayed or neutered them. Once accepted into our

adoption program, there is no time limit put on the animal's stay with us.

This year we placed 440 dogs, 646 cats and 7 other animals into adoptive homes. In addition, we reunited 189 lost dogs, 30 cats and 3 other animals with their owners. We also transferred 35 dogs, 51 cats and 44 other animals to local rescue organizations. Because euthanasia is never our first choice, we are proud to report that our live release rate for last year was 95.05% and our euthanasia rate is much lower than the national average – for dogs, 1.01% vs. 56% nationally, and 3.60% for cats compared to the 71% national average. Our adoption rate for dogs was 58.37%, and for cats was 81.77%. Our return to owner rate was 48.03% for dogs and 6.34% for cats, again both being higher than the national average. All animals that were adopted this year left our shelter spayed or neutered, vaccinated and micro chipped. The AVHS Staff Veterinarian spayed or neutered 646 shelter animals.

We are not only an adoption agency, we are also an educational organization. Community outreach is a vital part of our shelter. Over 912 active volunteers spent 26,011 hours at our mobile adoptions, cleaning kennels and cages, doing laundry and dishes, walking dogs, helping with customer service and fundraising. Thanks to our dedicated volunteers and staff we were also able to keep the world informed on our progress through our website at www.AuburnValleyHS.org and our AVHS Facebook page.

Over the past year our Board of Directors has grown, we have created and maintained our revenue stream and successfully managed our expenditures. We have established a Separate 501c3 Endowed Foundation which will become the bedrock of our organization for the future. We hired and trained new staff and grew our employee family.

Acknowledgment for these many successes goes to our dedicated staff and volunteers, the support of the City of Auburn and neighbouring animal sheltering agencies as well as the generous devotion of the citizens of King and Pierce counties, and of course, the supporters of the Auburn Valley Humane Society.

We have ended this challenging year as an active and vibrant part of our community. We are thankful to have been able to accomplish what we have this year. We could not have done it without your help and we are honoured to be here among you, continuing our mission.
