Message from the Board of Directors

Dr. Don Edwards with Queenie

Our first year of operations is now complete. As I look back on the humble and tenuous beginnings of Auburn Valley Humane Society I can only marvel at the results of all the efforts of the community of Auburn and the vision of a first class

animal shelter and adoption center. We have come a long way from that first meeting 4 years ago in response to the needs of the City of Auburn, which could not afford the shelter program as it had been structured by King County.

The veterinarians in Auburn and concerned citizens came together to answer that need and established Auburn Valley Humane Society to fulfill the dream of a local shelter with personalized service.

The entire community and city government rallied in support. The City of Auburn had the building and supported the vision of a hometown shelter. The City Council endorsed the idea of supporting the shelter contract with 100% of the proceeds of pet license sales. Pet owners in Auburn would know that when they purchased a pet license all proceeds would go to the shelter for the care of the lost, homeless and abused animals of our community.

Our charter members provided funds to purchase the equipment necessary to start a first class facility. The community has volunteered tens of thousands of man hours. We could not run the shelter without them.

Any shelter is only as good as the people who run it and again we have been truly blessed with a very dedicated talented and hard working staff. They have put in countless hours of hard work to make sure our shelter provides the very best in service to the pets and pet owners of Auburn.

We have a full time veterinarian who was able to get our surgery suite equipped and functional in the first 7 months of operations. As a result we are able to do all of the spays and neuters for shelter animals and we started a low income spay neuter program as well as provide state of the art veterinary medical treatment to the animals in our care.

Thanks to the staff, volunteers, generous donations from the community, a visionary city government and the board of directors of Auburn Valley Humane Society, our shelter's first year has been an overwhelming success. This year we will continue to grow our current programs and expand with new programs, community events and fundraising options. Much has been accomplished and I know thanks to you and with your continued support, this year even greater things are in store.

Message from the Executive Director

As we look back at our first year of shelter operations, it was a wonderful year of growth for the Auburn Valley Humane Society. The last year, more than ever, has been a time of commitment and determination of our staff and dedicated volunteers to ensure the launch and success of our young organization. We have grown as an organization, strengthening our philosophies, beliefs and practices as well as reaffirming our mission and the dedication to the citizens and animals in the communities we serve. It is now time to look forward to our future.

As 2013 comes to a close, we have journeyed a long way from where we were just one year ago. The vision and dream of having a first rate local animal sheltering facility has become a reality. We moved into our new building, worked out the daily routines for quality animal care and are ready to move ahead working towards our mission of promoting responsible pet ownership by teaching compassion, respect and caring treatment for all living creatures.

During this year of growth, once again I would like to say how proud I am of our accomplishments as an organization in the time of our new beginnings. We began the care and adoption of homeless pets and the humane education of children and adults throughout our community. Partnerships with local businesses have flourished. The relationships with the City of Auburn, the local veterinary community and the citizens of King and Pierce counties have continued to grow. We have also created and launched several signature fundraising events that assist us financially to maintain the animals in our care.

Our primary goal is to find lasting, loving homes for the companion animals that come to us. This year, despite working in a new environment, a total of 702 dogs, 667 cats and 64 other animals were surrendered by their owners, transferred from other shelters or found as lost animals. We gave them loving care, certified their health, administered all necessary vaccinations, microchipped, tested temperaments, and then spayed or neutered them. Once accepted into our adoption program, there is no time limit put on the animal's stay with us.

This year we placed 428 dogs, 433 cats and 20 other animals into adoptive homes. In addition, we reunited 176 lost dogs, 6 cats and 3 other animals with their owners. We also transferred 20 dogs, 13 cats and 25 other animals to local rescue organizations. Because euthanasia is not our first choice, we are proud to report that our live release rate for last year

was 95.32% and our euthanasia rate is much lower than the national average – for dogs, 1.64% vs. 56% nationally, and 2.88% for cats compared to the 71% national average. Our adoption rate for dogs was 65.44%, and for cats was 67.34%. Our return to owner rate was 44.56% for dogs and 1.35% for cats, again both being higher than the national average. All animals that were adopted this year left our shelter spayed or neutered, vaccinated and microchipped. The AVHS Staff Veterinarian spayed and neutered 288 shelter animals and AVHS outsourced 209 animals to our local veterinary partners for a total of 497 sterilization surgeries.

We are not only an adoption agency, we are also an educational organization. Thousands of children and adults were served through tours and classroom visits. With the new facility, community outreach is a vital part of our shelter. Over 2,100 active volunteers spent 22,937 hours at our mobile adoptions, cleaning kennels and cages, doing laundry and dishes, walking dogs, helping with customer service and fundraising. Thanks to our dedicated volunteers and staff we were also able to keep the world informed on our progress through our website at www.AuburnValleyHS.org and our **AVHS Facebook page**.

Over the past year our Board of Directors has grown, we have created and maintained our revenue stream and successfully managed our expenditures. We hired and trained new staff and grew our employee family.

Acknowledgment for these many successes goes to our dedicated staff and volunteers, the support of the City of Auburn and neighboring animal sheltering agencies as well as the generous devotion of the citizens of King and Pierce counties, and of course, the supporters of the Auburn Valley Humane Society.

We have ended this challenging year as an active and vibrant part of our community. We are thankful to have been able to accomplish what we have this year, despite the tests we faced in our first months of operation. We could not have done it without your help and we are honored to be here among you, continuing our mission.

OUTCOMES

The Auburn Valley Humane Society strives to find a loving family for every adoptable animal. In 2013, we found homes for 881 animals and had a live release rate of 95.32%. The outcomes include animals that were adopted, transferred to rescue groups, reunited with their owners, died in shelter, DOA (dead on arrival), euthanasia medical/behavior and owner requested euthanasia.

AVHS does not euthanize for time limits, space or age of the animal. AVHS utilizes every resource possible to find forever homes for the animals in our care.

**Other adoptions include birds, rabbits, guinea pigs, and small pets.

As of December 31, 2013, AVHS had 4 dogs and 110 cats at the shelter. www.AuburnValleyHS.org

MEDICAL STAFF AT WORK

The Auburn Valley Humane Society medical and animal care staff provide quality, loving care to every animal who comes into our shelter. Our animals receive a veterinary exam, vaccinations, spay/neuter services, microchip, and in some cases, extensive medical care prior to adoption to a loving family.

Last year, AVHS performed. . .
